

South Florida Division

# AMERICAN AMATEUR BASEBALL CONGRESS

**The Best Teams ■ The Toughest Competition ■ The Best Value**

All for a \$100.00 registration • AABC is a Not for Profit Organization

## REASONS TO AFFILIATE WITH AABC

- AABC is a non-profit organization, in existence since 1935; Registration is \$100.00 per team.
- We offer League Play leading to State, Regional and World Series Championships. Competition is the BEST because you have to earn your way through League Play.
- Governed by a National Set of Rules [www.aabc.us](http://www.aabc.us) and the state organization to provide assistance; the Florida Amateur Baseball Association (FABA).  
[www.floridaamateurbaseball.org](http://www.floridaamateurbaseball.org).
- Some of our leagues offer a full-service Web-site including scores, schedules, and standings, plus a great deal more. Check us the [www.pctbl.com](http://www.pctbl.com). We make it easy to play in our leagues; easy to register and even easy to form your own local league if you want to. Directors for each age division available to answer your questions.
- **We encourage teams to affiliate with other organizations and leagues. We are the BEST and MOST affordable game in town., not the only game in town.**
- We are primarily Spring and Summer Leagues; affording kids the chance to compete in other Fall and Winter sports.
- League members have the flexibility to make their own schedules so they can avoid conflicts if they are affiliating with other organizations.
- What makes AABC different is that you can't just "sign up", play in a single tournament and qualify for what is called a "World Series". Teams that want the "Easy" route will do that. The BEST teams test themselves all Spring and Summer by having to earn their way through League, State and Regional Tournaments to get to a World Series.

# AABC AGE DIVISIONS

Age	Name	League Play	State Tournament	Regional Tournament	World Series
8U	Roberto Clemente	✓	✓	✓	✓
9U	Jackie Robinson	Multiple teams go direct to the World Series
